SHAHWAN

Phone: 8827037789 | Email: shahvankhan145@gmail.com | Rewa, Madhya Pradesh

Career Objective

Diploma student in Computer Hardware and Maintenance, looking for an entry-level opportunity in Network Administration or Cloud Support. Strong hands-on base in computer hardware, with growing skills in web development and Python, and keen to learn networking and cloud fundamentals.

Education

Diploma in Computer Hardware and Maintenance (CHM), 2nd year (pursuing)
Government Polytechnic College, Rewa, Madhya Pradesh

12th: MP Board, 66%
10th: MP Board, 65%

Technical Skills

- **Hardware:** Computer hardware, chassis-level maintenance, troubleshooting
- **Web:** HTML, CSS, JavaScript (basic)
- **Programming:** Python (learning)
- **Subjects studied:** Computer architecture, digital electronics, operating systems and algorithms
- **Tools:** Acode (mobile code editor), CapCut, VN (video editing)

Projects

Retro Ambient Radio Website
Built a vintage saloon-style radio website that streams ambient audio from YouTube, using HTML, CSS and JavaScript. Designed the layout and styling myself and handled the playback logic.

Languages

Hindi, English
